

# **How to wash a toilet**

**This was simply too much of a time saver not to share it with you.**

**1. Put both lids of the toilet up and add 1/8 cup of pet shampoo to the water in the bowl.**

**2. Pick up the cat and soothe him while you carry him towards the bathroom.**

**3. In one smooth movement, put the cat in the toilet and close the lid. You may need to stand on the lid.**

**4. The cat will self agitate and make ample suds. Never mind the noises that come from the toilet, the cat is actually enjoying this.**

**5. Flush the toilet three or four times. This provides a 'power-wash' and rinse'.**

**6. Have someone open the front door of your home. Be sure that there are no people between the bathroom and the front door.**

**7. Stand behind the toilet as far as you can, and quickly lift the lid.**

**8. The cat will rocket out of the toilet, streak through the bathroom, and run outside where he will dry himself off.**

**9. Both the toilet bowl and the cat will be sparkling clean.**

Yours Sincerely,

The Dog
