59. PUBLIC QUESTIONS – No questions raised.

60. APOLOGIES AND REASON FOR ABSENCE – apologies received from Cllrs David Walker and Damon Wellman.

61. DECLARATIONS OF INTEREST – none received

63. PLANNING APPLICATIONS:

WD/2011/0983/F – 4 STANDEN MEWS, TN22 4HG – single storey rear extension – The Parish Council fully support the application.

WD/2011/1015/FE – MARLOWE HOUSE, SCHOOL LANE, TN22 4HY – extension of time for WD/2008/0021/F – two storey extension to existing care home to provide 8 additional bedrooms – The Parish Council have no objection to this application.

WD/2011/0848/F – HUGGETTS FURNACE FARM, HASTINGFORD LANE, TN22 4DY – proposed retention of outbuilding approved under ref. WD/2008/1834 for use as a home office – The Parish Council are very concerned that the building that we are asked to approve for retention is a third larger than the building approved 3 years ago. We are also concerned that the temporary building has no connection to the existing cluster of buildings and is outside the residential curtilage of Huggetts Furnace Farm. We also cannot see, in view of its distance from the other buildings, how it could be used as a home office. We therefore decline the application.

64. FORTHCOMING HIGHWAYS WORK – the U7580 Criers Lane will be closed on 6th June from its junction with Dog Kennel Lane to its junction with Skippers Hill Road in order that essential carriageway drainage work can be carried out.

It was highlighted that the kerbing on the triangle at the junction of Five Chimney's Lane and the A272 had not been mended, the Clerk will contact the Village Maintenance Team/Highways to arrange for it to be fixed.
