

Peter Weston – Activity Report for June 2024 Meeting

NEW SPEED SIGNAGE

I have placed a number of speed warning signs around the village – the photograph shows one in Wilderness Lane. There are six others that could be used [‘REMEMBER 30mph’ x1, ‘SLOW DOWN’ x2, and ‘SPEED KILLS’ x3]. Any suggestions as to where these might best be placed gratefully received. However, there are a significant number of restrictions on where and how such signs can be placed, but all suggestions will be looked into.

SID Data: Once again, many thanks to Steve Godfrey for his help in moving and maintaining the signs. The most recent data collected is summarised below and again shows that the majority of drivers on the A272 ignore the statutory speed limit. What is notable is that the proportion of vehicles on School Lane travelling in excess of 30 mph has almost doubled over last month, with a threefold increase in vehicles travelling in excess of 35 mph.
